# Dreams

Day after day we find ourselves involved in illusions of our futures. Our lives would seem hollow without dreams to guide us to our destinations. Many students live their dreams through sports, activities, educations and hopes of profitable careers.

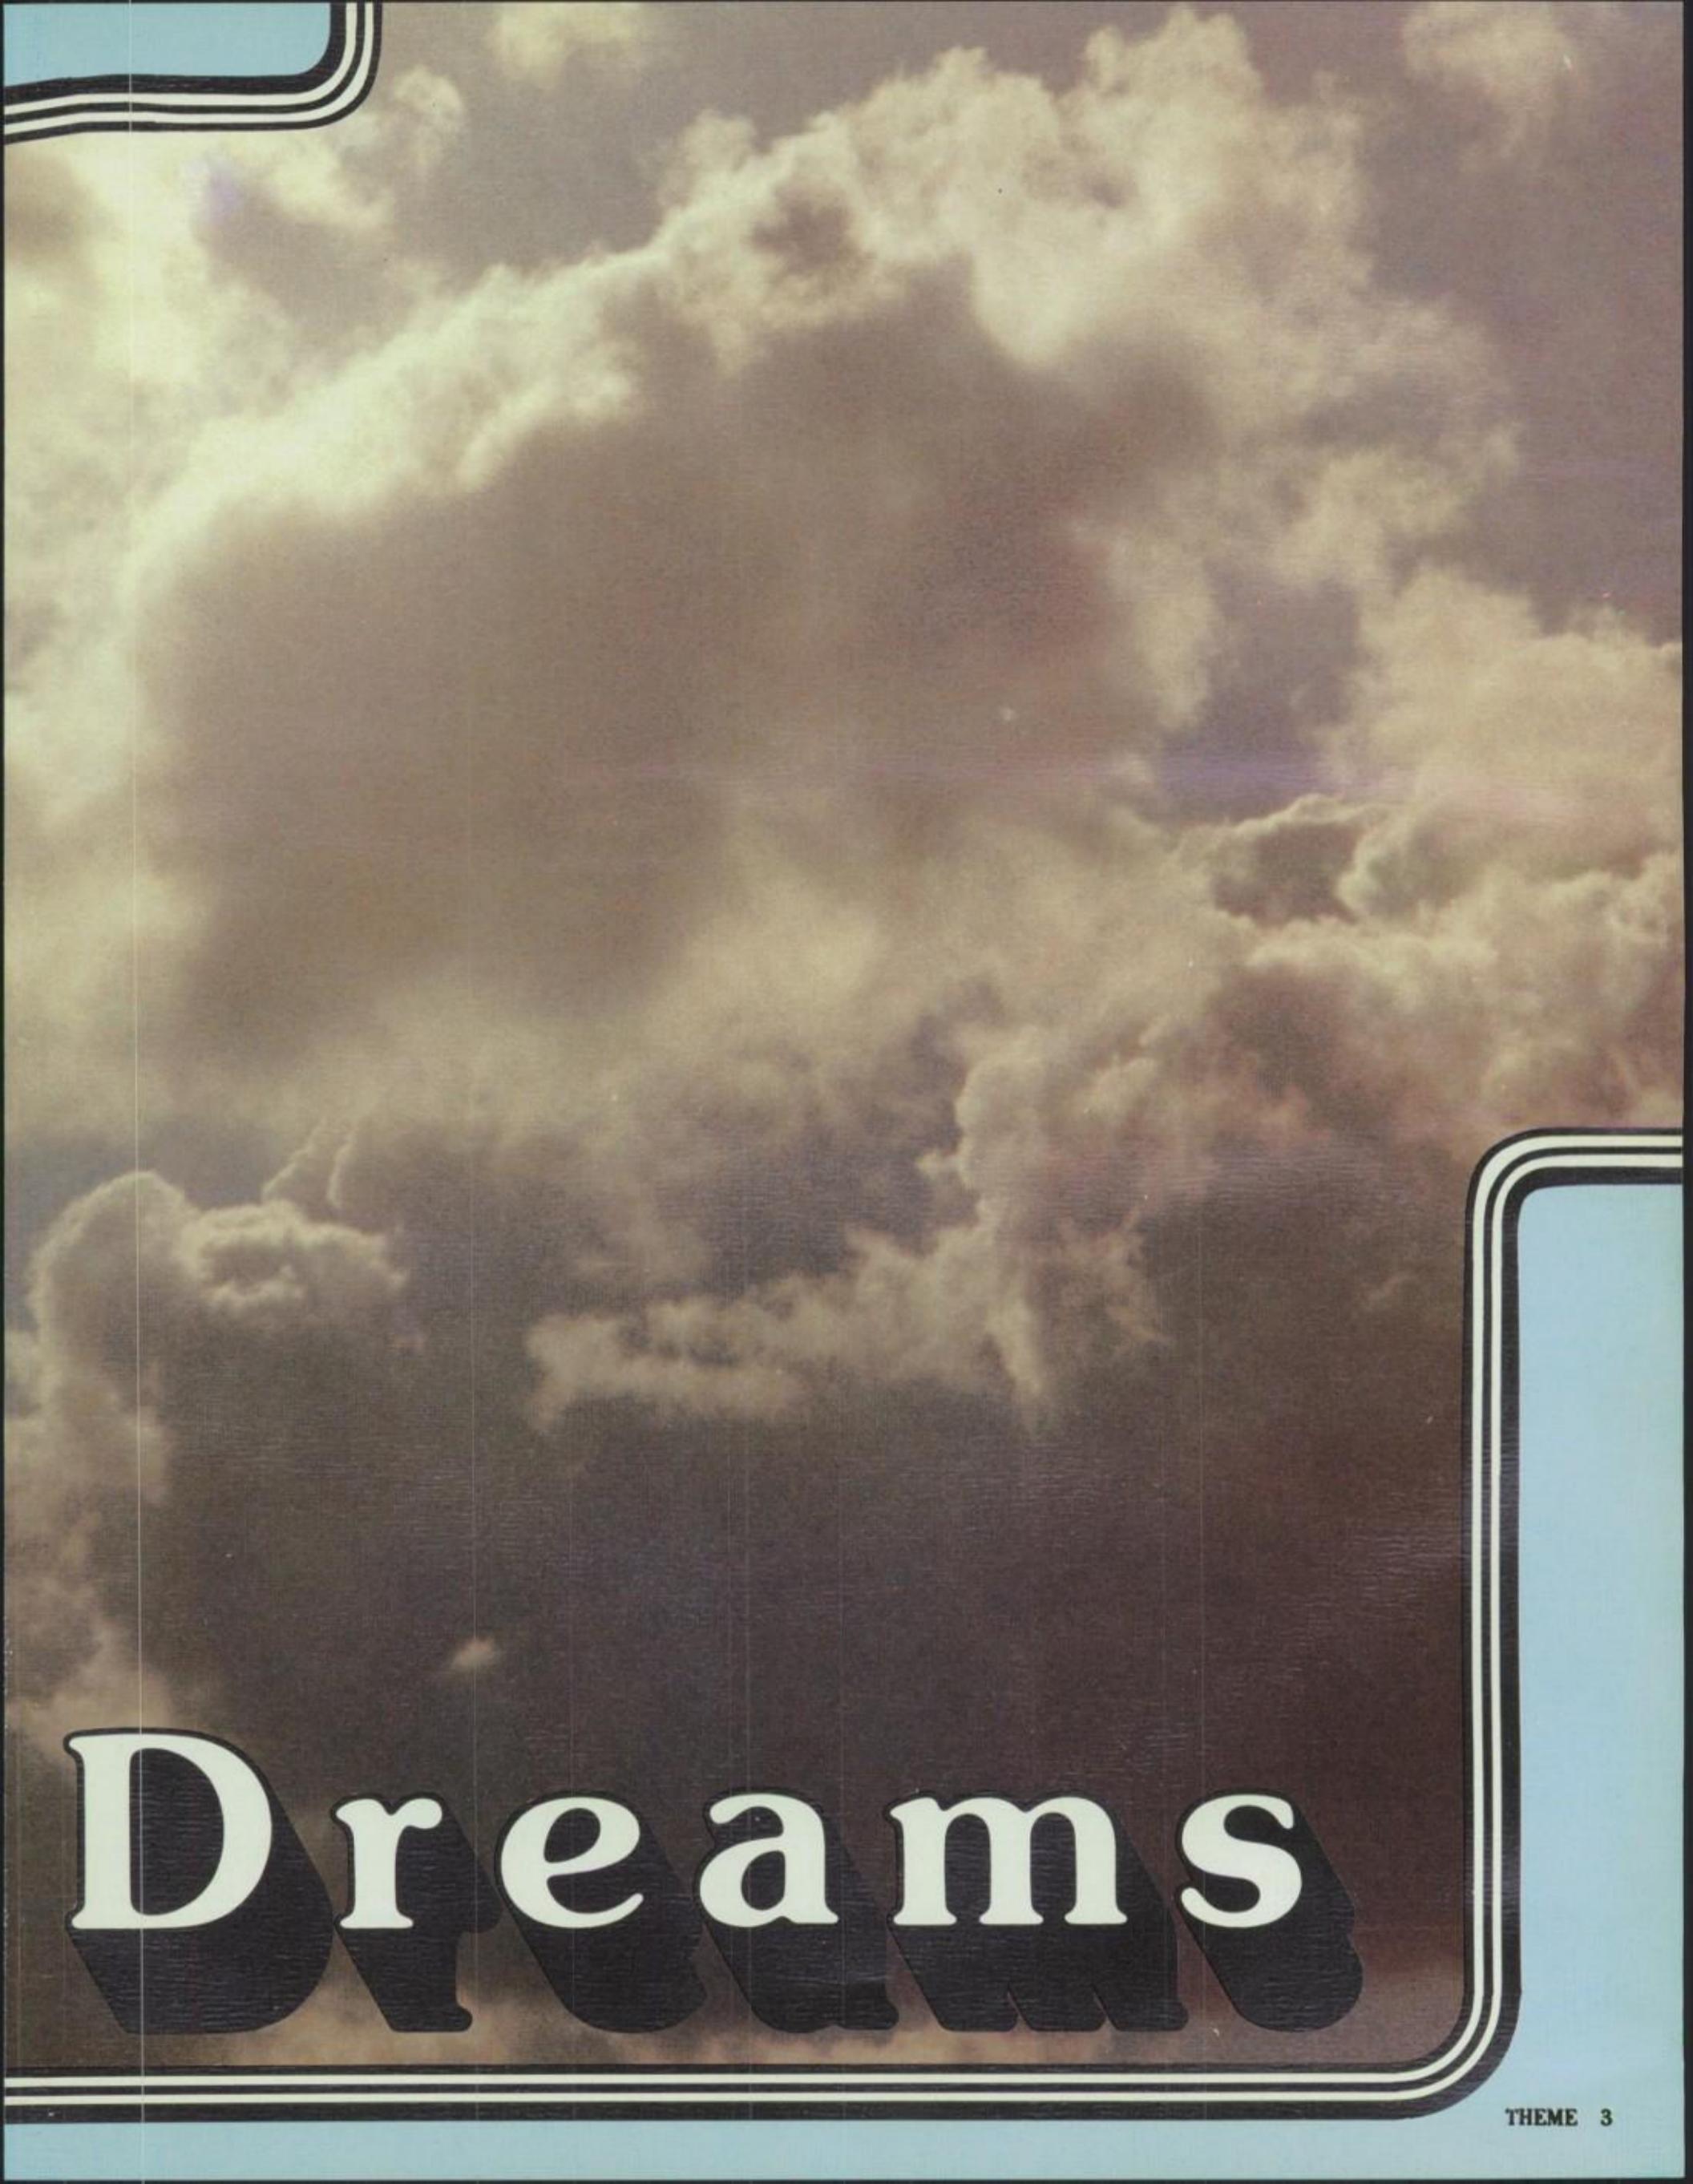

Working hard to attain these goals occupies our every second of attention and dedication. We hunger for success and strive to reach our goals in hopes of final self-satisfaction and true happiness.

Throughout our lives, times may not always be easy to get through but we've got to believe in our own power to succeed in our dreams and let nothing dissuade us . . .

Hold fast to dreams,  
for if dreams die,  
life is a broken-winged bird  
that cannot fly.

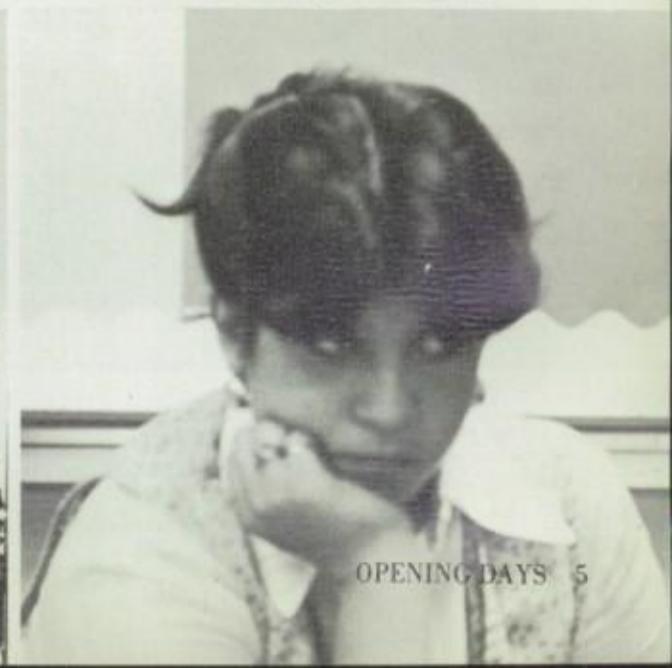

Hold fast to dreams,  
for if dreams go,  
life is a barren field  
frozen with snow.

## A Gathering of Images

Beneath the tension and disappointment of the start of another school year, the race for school spirit was off as Rosary's Annual Hello Week began. The festivities started with the touching moments of our first school mass. Following were four days of fun-filled activities. Between the awesome junior skit, and the newly introduced G.A.A. games, we didn't have room for much more. Exasperated from the past days of excitement we barely made it through the competitive dress-up day and the finale of the week . . . the joining of our new families.

# Today

**Rosary Day**

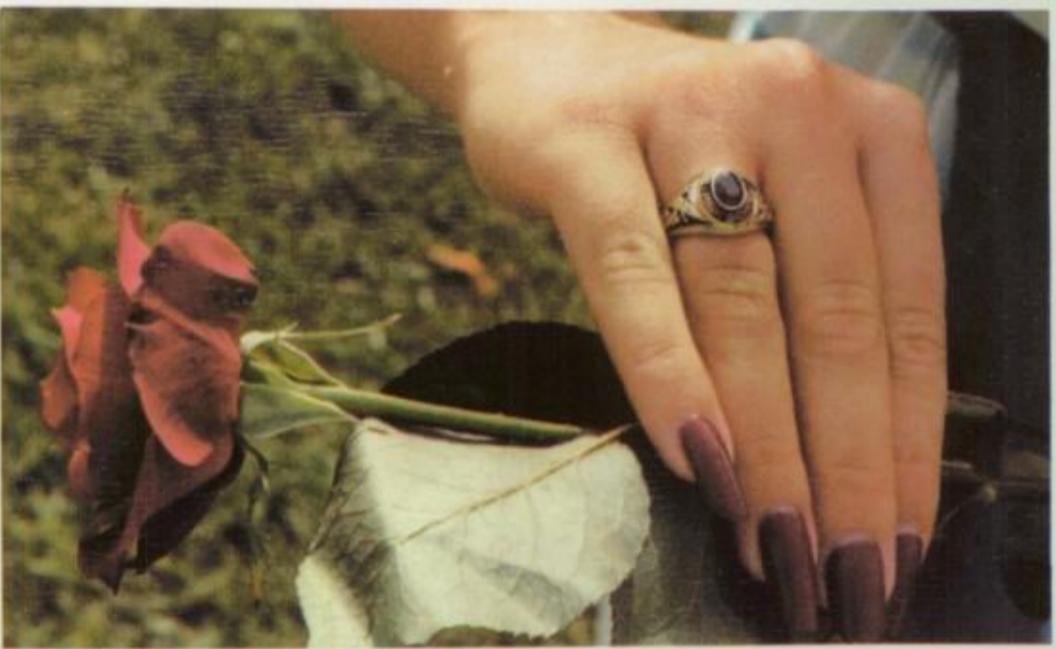

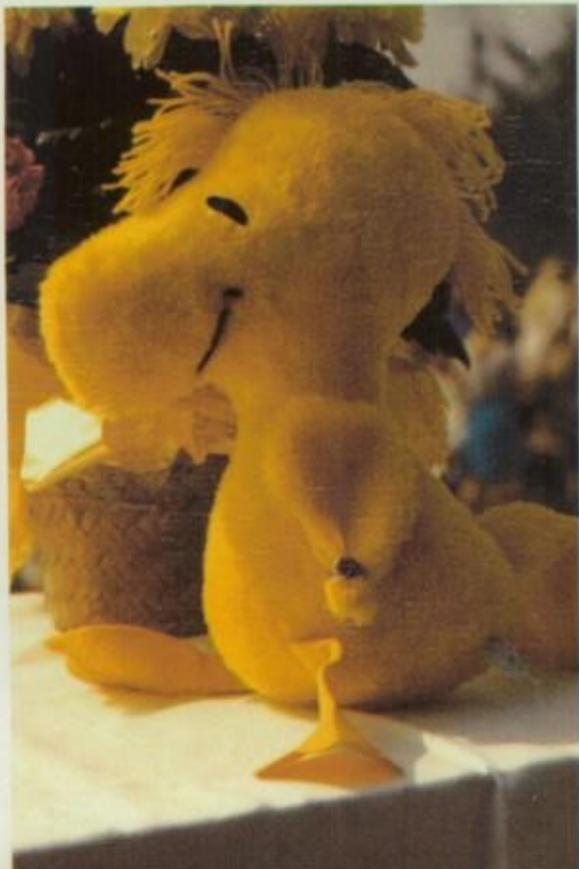

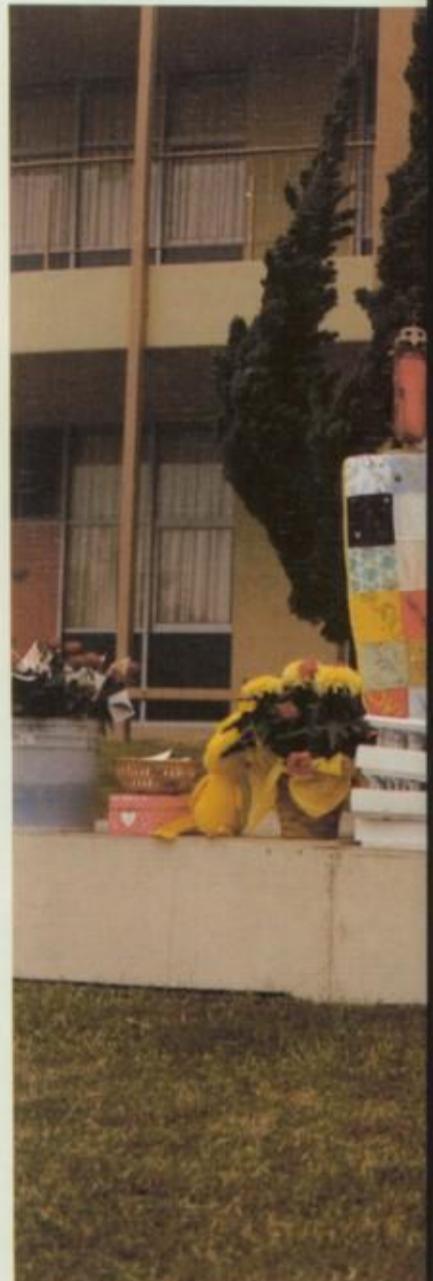

"Forever was never 'till now now I love you and you love me . . .

. . . we're anything brighter than even the sun (we're everything greater than books might mean)  
we're every anything more than believe . . . . . alive we're alive we're wonderful one times one"

e. e. cummings

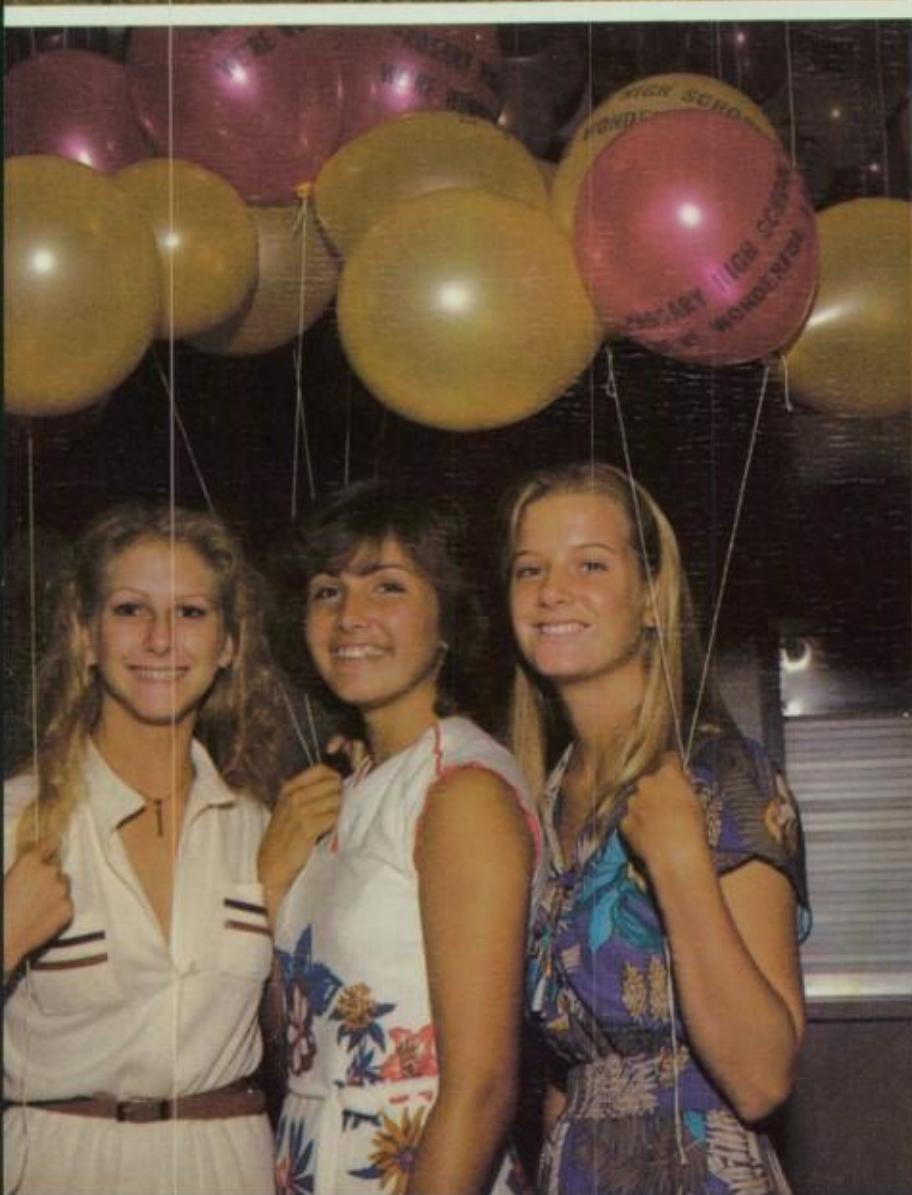

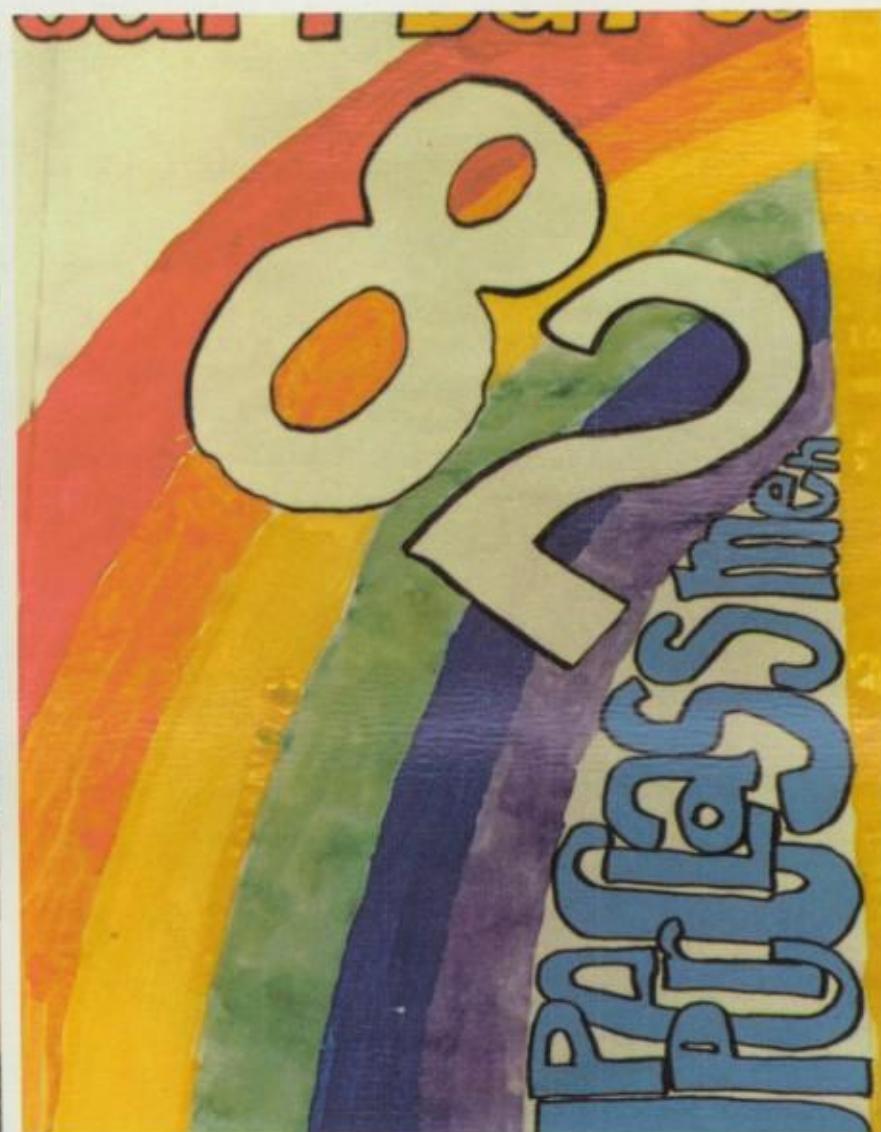

With all the dreams of one times one, finally the day came where these dreams became a reality. Rosary Day was not only a present coming true for the junior class, but was also a dream of a future for the freshmen, sophomores, and seniors. For the juniors it was a day of rejoicing not only for receiving a ring but for becoming a special part of this school. As for the freshmen and sophomores, there was excitement for the future. The seniors turned their rings to the future and through this action they will keep Rosary a part of their lives forever.

This special day was held on October 7, 1980. The ceremony began with a mass celebrated by Father Dale from St. Mary's. During the mass the rings were received and the turning of the senior rings took place. After the mass the annual balloon launch took place. The balloon that went the farthest was that of Molly Kay, a sophomore, it landed in Torrance. For the finish of a perfect day the student body as well as faculty kicked off their shoes and left to Hillcrest Park.

## Ingredients for the Day

On October 5, 1980 it appeared to be a normal, everyday Sunday, but for the Rosary students and their families, it was a very special day. Family Day was not only a day of relaxation, but a day filled with love.

It all started with a mass followed by a picnic lunch and games for all. Family Day was a great idea for getting the people you love together and just having fun. It wasn't just another day in our lives but a dream come true.

#### SILENCES

I wish I could tell  
you just how it is  
with me.  
Would I dare quote  
poems of love?  
Would I dare be honest  
and tell you?  
I did that once. It got me  
a summer of raindrops  
and teardrops for my  
honesty, so perhaps I  
will never be able to  
tell you how I feel.  
Perhaps all you will  
hear from me is silence.  
Yet, I suppose that if  
you cannot understand  
my silence, then you  
would never understand  
my words.

At first we may run to catch each one, but soon realize we cannot collect all the shells on the beach, just as we cannot collect all the moments of wonder, all the songs of joy, all the times of triumph that are a part of life, but we can clasp the ones that come to us close to the hearts where they will remain forever.

# HOMECOMING 1980

Homecoming 1980 really was "Just A Fantasy" or maybe even a dream come true. For some, it was just an ordinary Thursday, but for all Friar fanatics November 13th was a day to remember. The event, being held at Glover Stadium, gathered seas of people from far and wide. While every second was breathtaking, the piece de resistance was presented at half-time when a Rosary senior, Donna Dostalik, was crowned Servite's Homecoming queen. Being that this is the fourth year in a row that Rosary has captured the crown, we continue to be coming up roses. Also in attendance as Servite royalty were senior princesses Debbie Carr and Clare Martin and junior princess Maureen Moran. Like a real life fairy tale, this dream had a happy ending when Servite defeated rival Mater Dei 20-14. The Friars celebrated their victory at the dance held the following night at the Inn at the Park in East Anaheim.

# MAKING ROOM

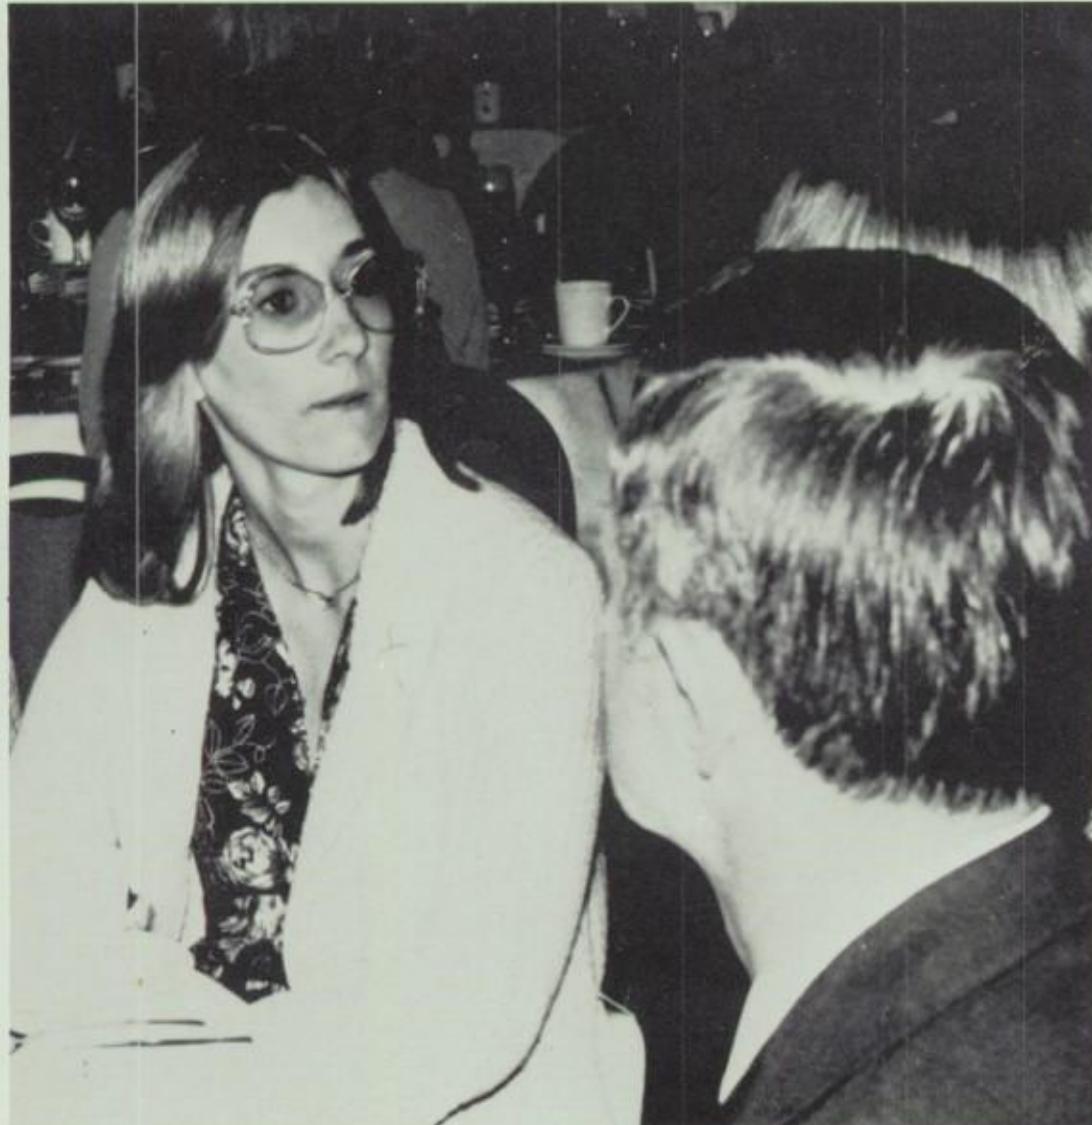

"Making Room for Daddy" was exactly what workers at the Disneyland Hotel were doing on December 15, 1980. In expectations of Rosary's Father-Daughter Dinner-Dance, the Grand Ballroom was being transformed into an elegant dining room and dance floor. With the music of Philly to serenade Daddy's little girl, the preparation for a wonderful evening seemed complete.

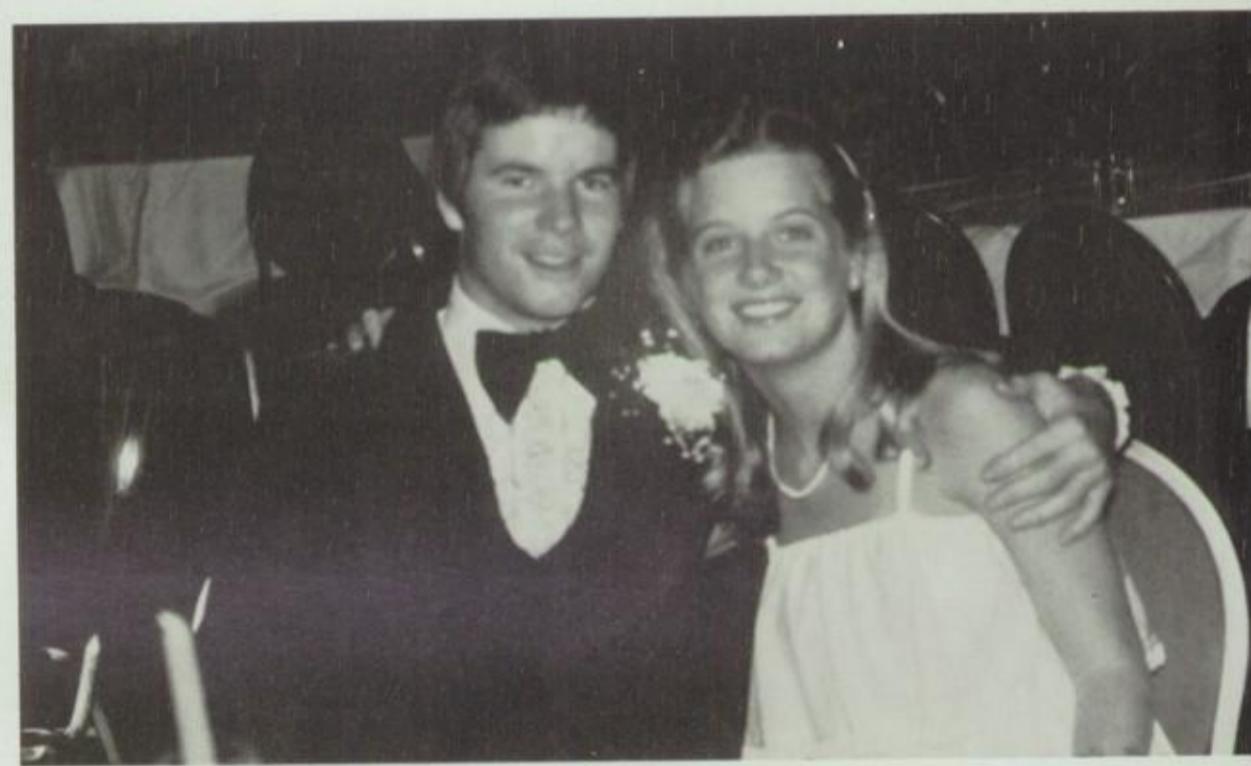

After dinner was served at 7:30, dancing was available until midnight for those who felt they weren't too full. Needless to say, the evening was a most successful gala event with Kathy and Mr. Hanna winning the evening's dance contest. Coming in 2nd place, Donna and Mr. Kent appeared to have enjoyed themselves, anyway! But the proudest of all was Mr. French after receiving the news that Anita's composition was chosen to be the winner of the Father of the Year contest. All in all, it was a great evening.

## Winter Formal

Dreaming of a white Christmas may not have been exactly what was on Tracy Wightman's mind as she was being crowned Winter Formal queen. This memorable moment was the climax of what proved to be a truly exciting evening. The long-awaited affair took place at the Disneyland Hotel on Dec. 22, 1980 as couples danced the night away to the music of Rock Dodger.

# MOTHER

To most people Friday the 13th brings to mind black cats and bad luck but to show their indifference to this superstition, Rosary's ASB planned "A girls' Night Out." For some Friday night fun, mothers and daughters journeyed to the Sebastian Grand Dinner Playhouse. After an appetizing meal at the Anaheim theatre, the climax of the evening began. As the lights dimmed and the curtain rose, a quiet hush fell upon mother and daughter awaiting the excellent performance of "Fiddler on the Roof."

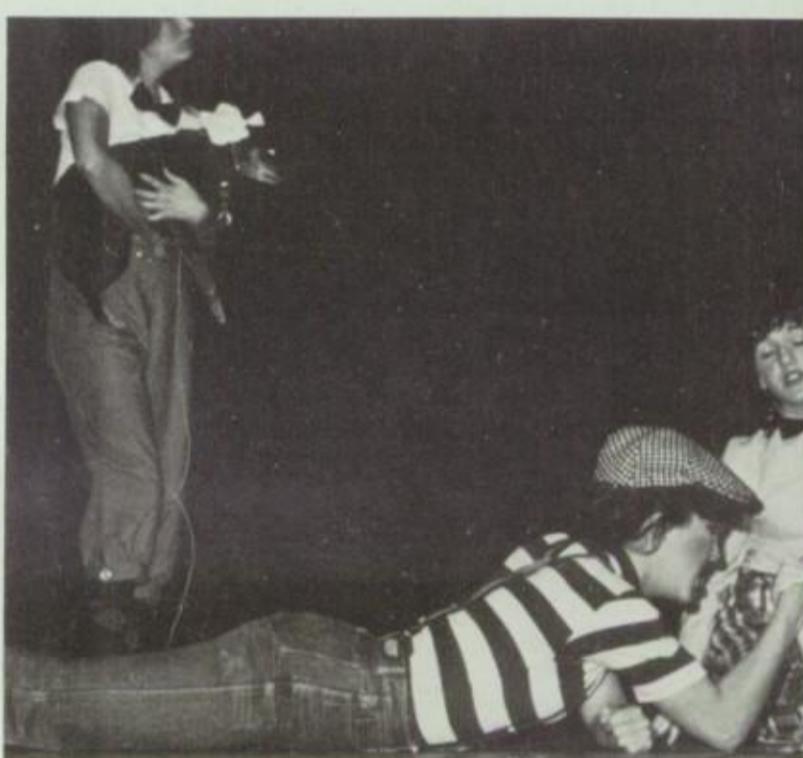

# DAUGHTER

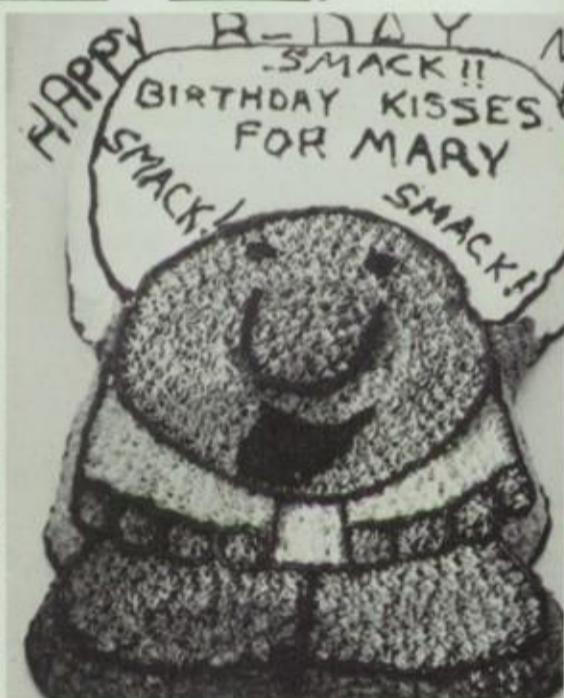

Where can you see dancing spiders, dragons, cards, letters, genies, and flowers all in the same evening? The answer is easy, these were all a part of Rosary's annual Red and Gold competition held at Servite High School on March 13 and 14th. This year's theme, "Could It be Magic," was whimsically carried out by both teams and brought out many hidden talents of each team member.

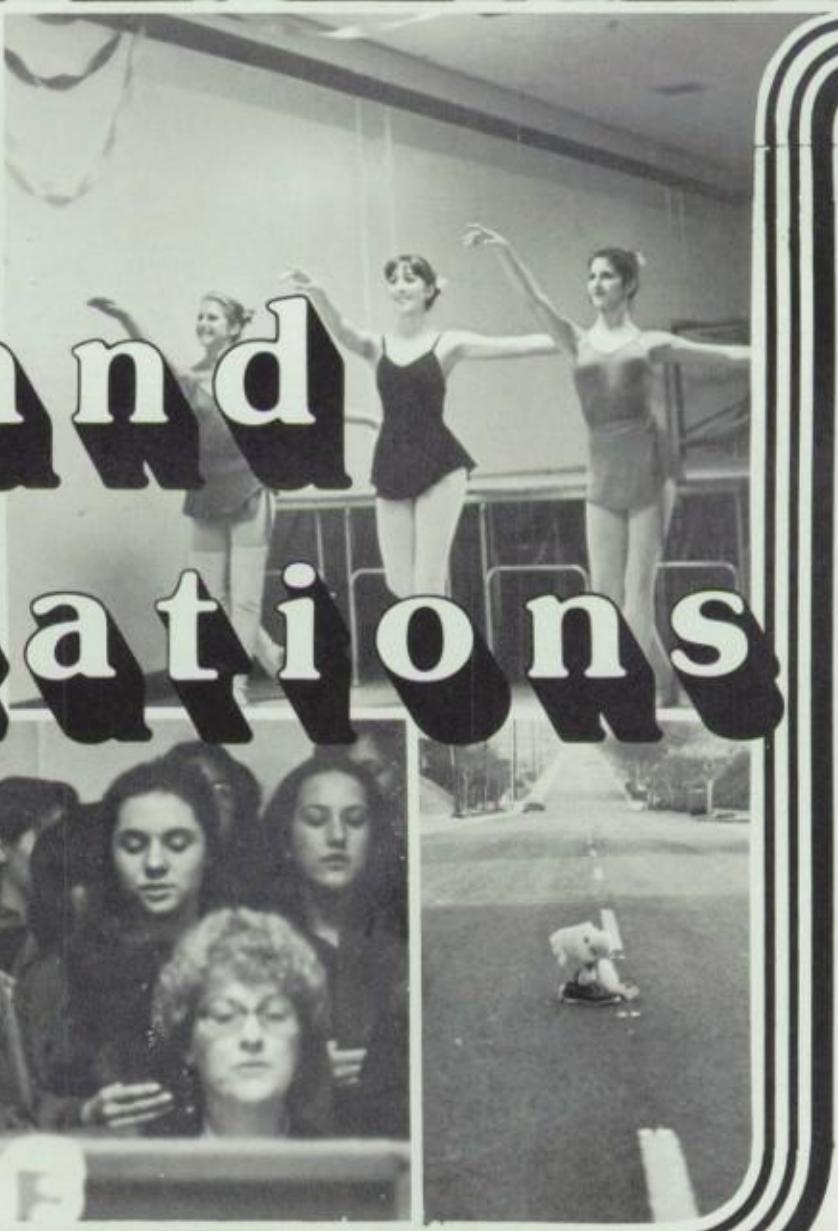

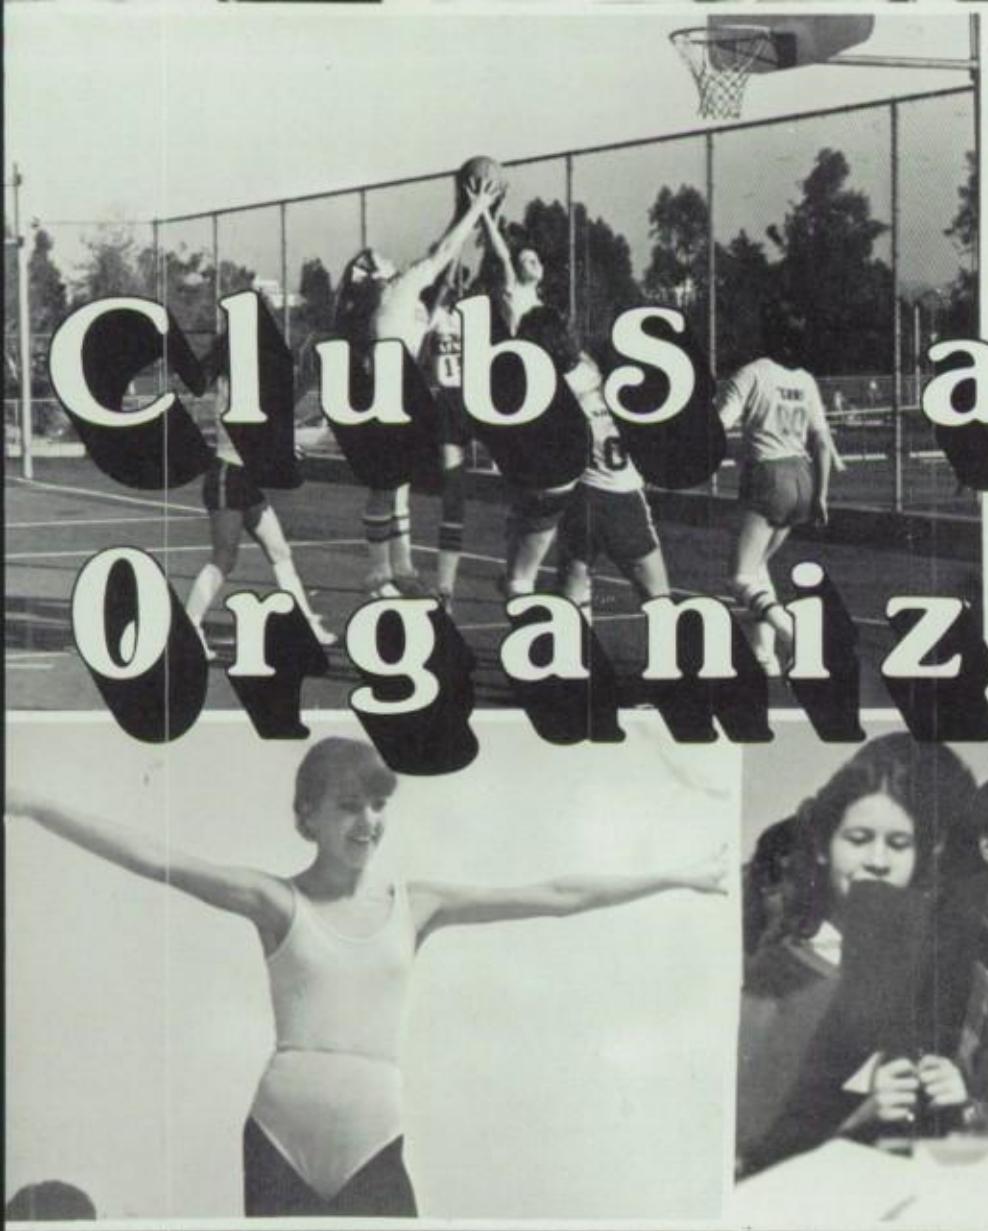

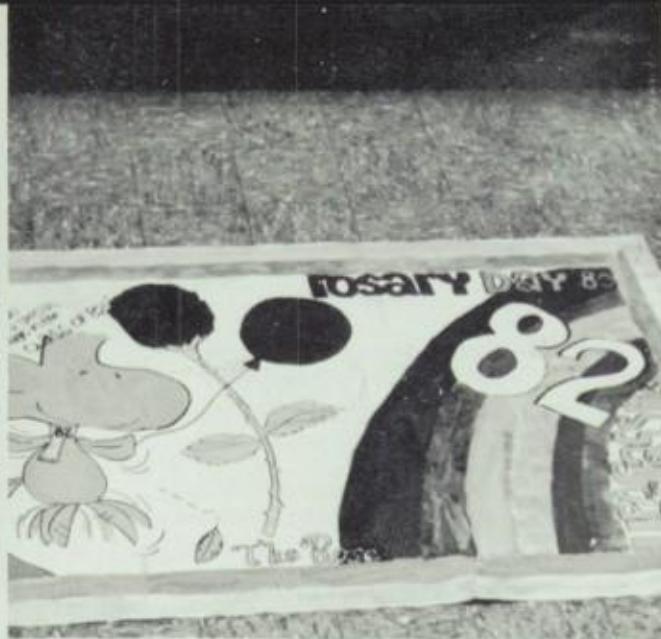

The Gold team, lead by Kelly Wright and Laura Pascitto, put up a good battle with their mystical play, Misfit Magic. But this year tradition was broken. For the first time in seven years the Red team, lead by Ann Peterson and Eileen McCoy, became victorious with their play, The Orphans and the Magical Attic. Red and Gold was spectacular this year and a delightful evening was had by all.

# Volleyball

The 1980-81 Varsity Volleyball team exhibited an utterly exciting performance during this past season. With Ms. Curran coaching, there was no way we could go wrong! There were long hours of hard work and practice but the pride that has been instilled in all of us has made our toil worth it all.

VARSITY VOLLEYBALL: Back row, left to right: Miss Curran, Donna Mintie, Diane Muckenthaler, Kathy Hanna, Eileen McCoy, JoJo Krebs, Allison Duran. Bottom row, left to right: Kim Gray, Robin Vincent, Theresa Burns, and Karol Freeman. Not pictured: Anne Edmonds.

JUNIOR VARSITY VOLLEYBALL: Back row, left to right: Miss Elm, Therese Fraser, Myriam Haddad, Denise Booth, Karen Peterson, Sandy Esslinger, Mary Derr. Bottom row, left to right: Sharon Sullivan, Linda Esslinger, Erin Crowley, Angela Rudolph, Jenny Lynch, and Michelle Northcutt.

The dynamic Junior varsity Volleyball team has proven themselves once again, to be live wired on the court! During the past season, with the guidance of Miss Elm, Rosary's J.V. provided their loyal fans with one exciting spike after another! With the confidence of all, our team walked off the court with their heads held high!

# varsity

# basketball

When asked what I thought the word Varsity meant, I was caught "off-guard." But after giving it some thought, I came up with a truly Royalette definition. Varsity — (verb or action word) a Vivacious, Amiable Ready group of girls. With their Sensational talents, this ball club is Ignited on the court. This is Tough competition but each and every member is truly a Young lady at heart. It seems to me like that spells the meaning of our outrageous basketball team.

L to R: Terri Frasier, Robin Vincent, JoJo Krebbs, Diana Muekenthaler, Cindy Self, Sandy Esslinger, Molly Kay, Theresa Burns, Karol Freeman, Eileen McCoy and Carol Grey. Coach: Miss Elm.

# J.v. basketball

If there was a need to describe the JV basketball team in one word, it would be STRATEGIC! Starting the season off with a low profile they succeeded with a historic victory over Connelly. This triumph brought our J.V. the chance to start ripping up the court once again, and leaving their competitors biting the dust.

L to R: Bridget Kay, Michele Myers, Joelle Tramma, Denise Booth, Michelle Northcutt, Jenny Burke, Linad Esslinger, Kathaleen Collins, Jo-anne Nowak, and Mary Derr.

# Softball

Top row, l to r: Terri Fraser, Karen Peterson, Janine Dowgialo, JoJo Krebs, Robin Vincent, Bridget Burt, Karol Freeman. Bottom row: Cyndy Self, Kim Gray, Jan Boucher, Ellen Angelo, Angela Najera.

# CROSS COUNTRY

## Cross-Country

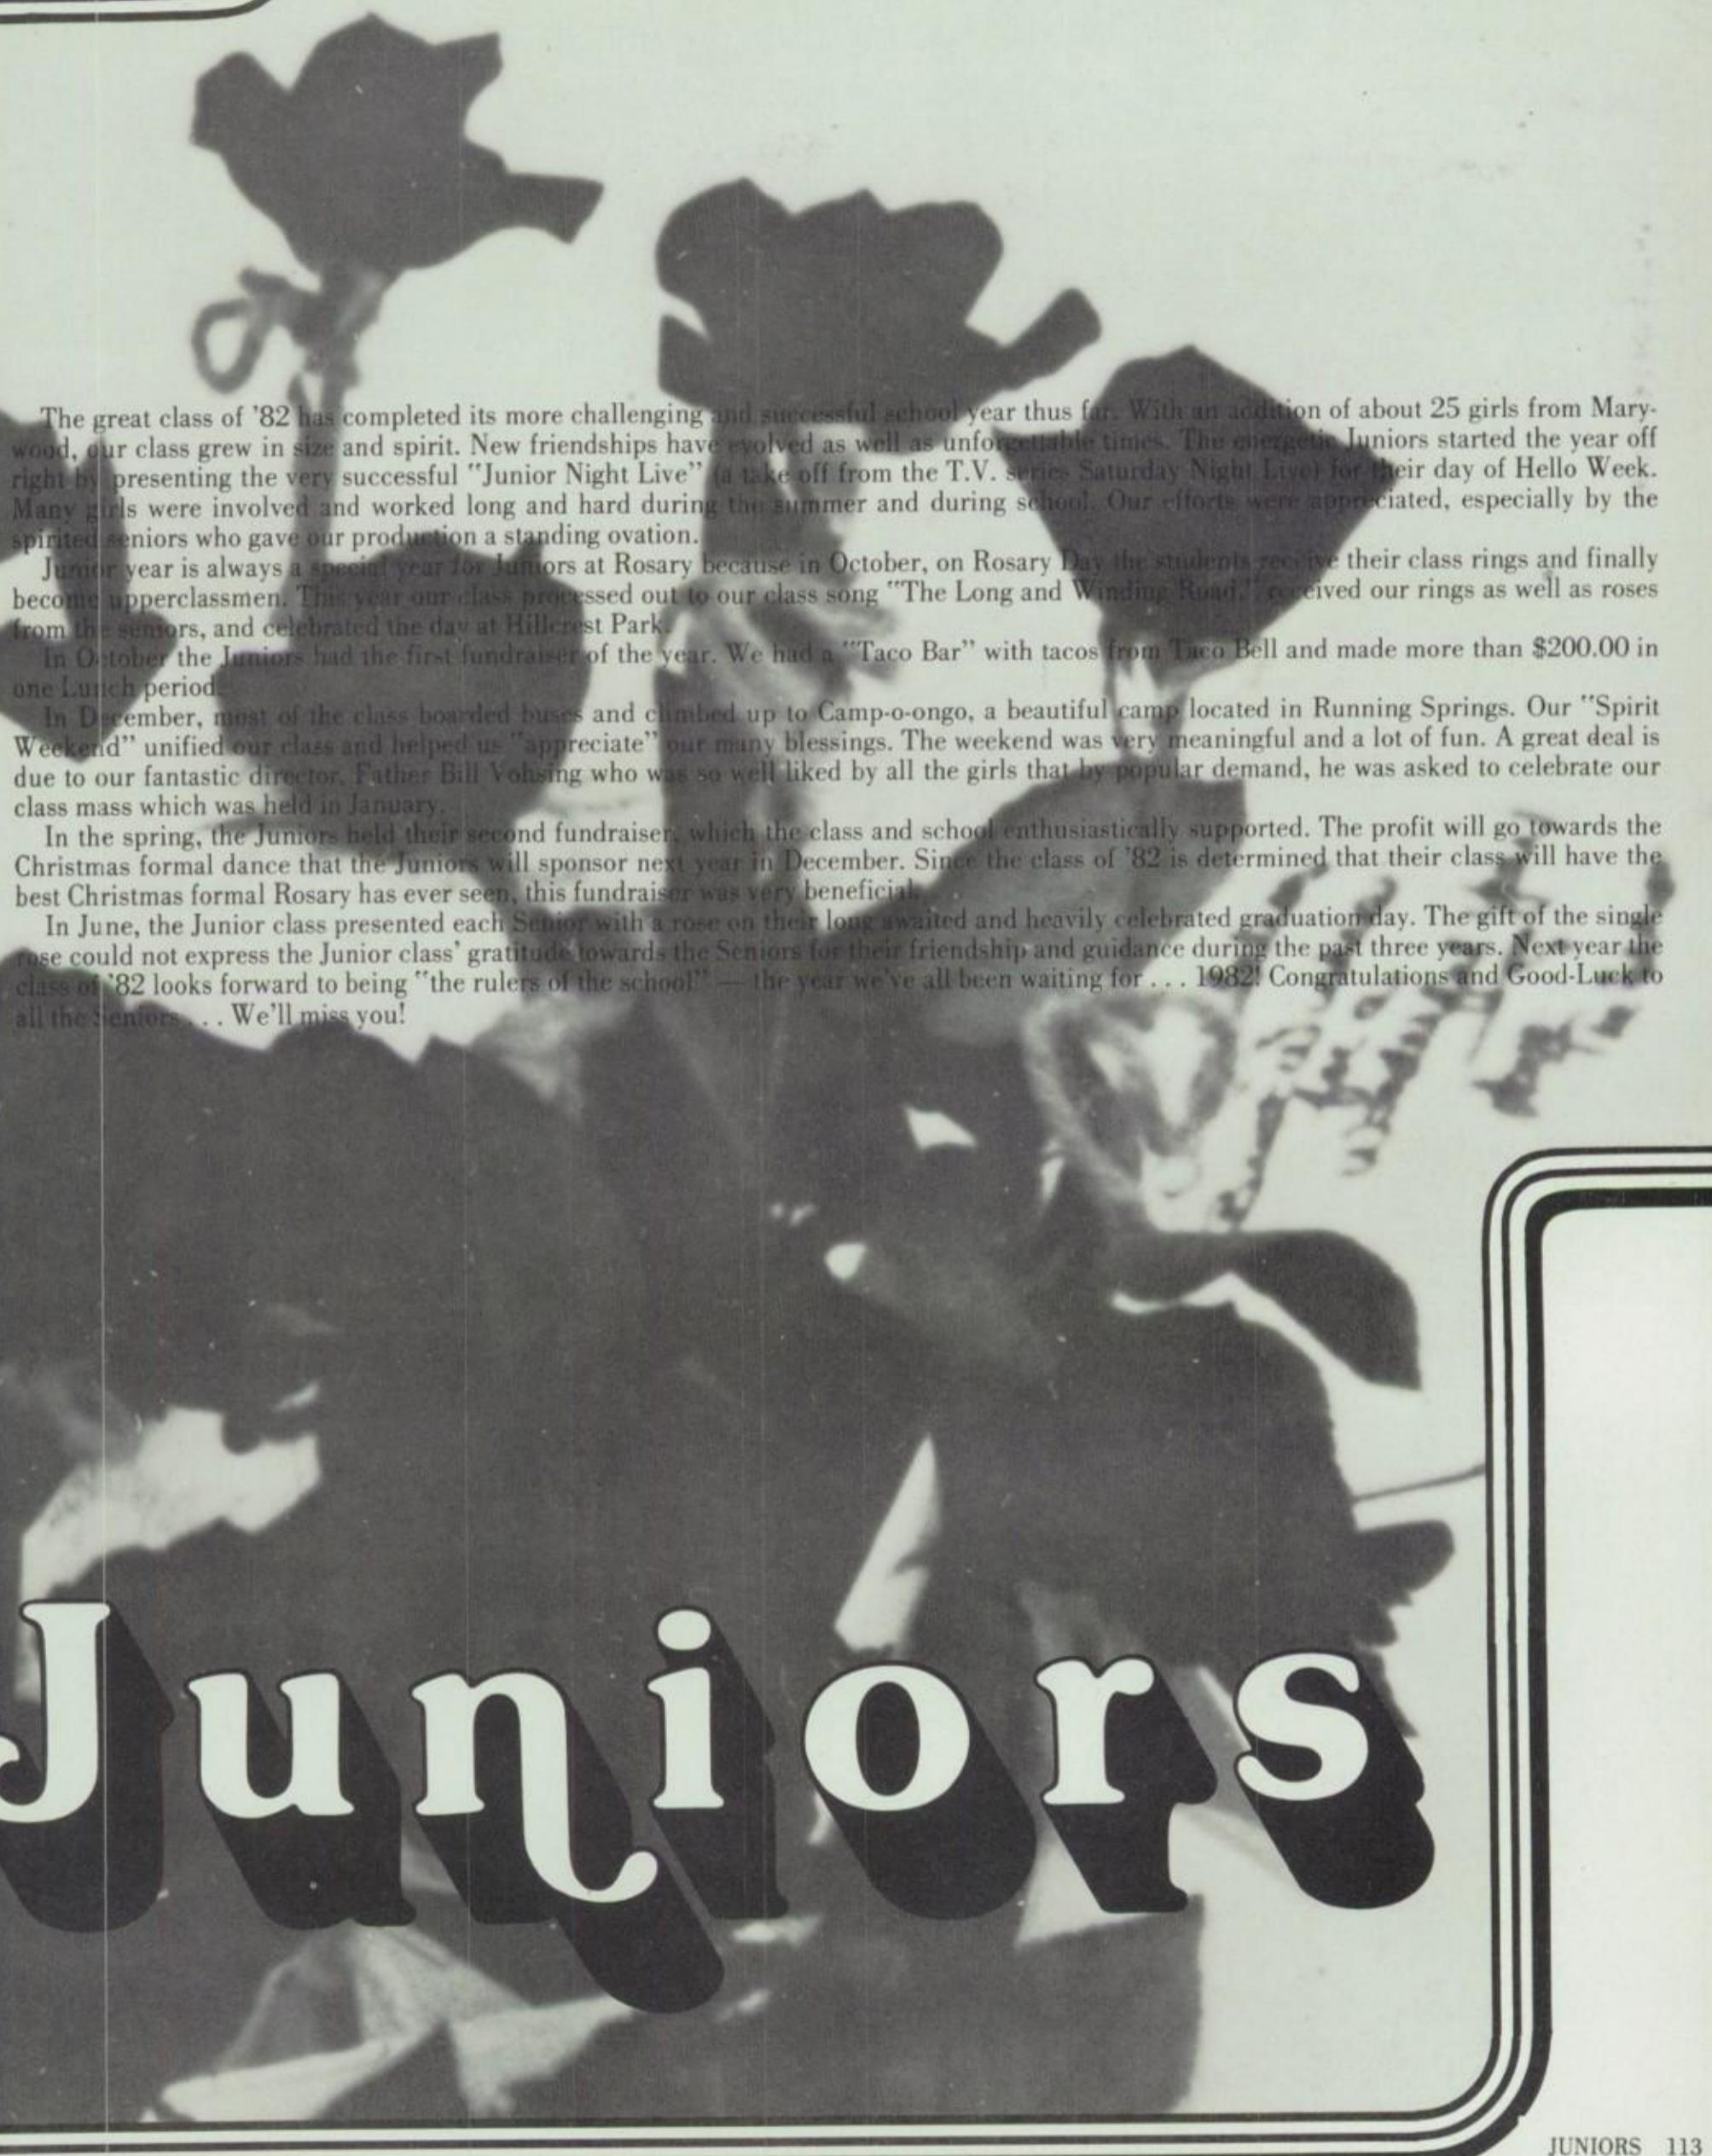

With the leadership of Rosary's all-around coach Wyatt Smith, this year's cross-country team ran the miracle miles. Those talented and determined runners strove to achieve the highest goal possible. Our girls survived and came up shining like stars.

# TRACK

The great class of '82 has completed its more challenging and successful school year thus far. With an addition of about 25 girls from Marywood, our class grew in size and spirit. New friendships have evolved as well as unforgettable times. The energetic Juniors started the year off right by presenting the very successful "Junior Night Live" (a take-off from the T.V. series Saturday Night Live) for their day of Hello Week. Many girls were involved and worked long and hard during the summer and during school. Our efforts were appreciated, especially by the spirited seniors who gave our production a standing ovation.

Junior year is always a special year for Juniors at Rosary because in October, on Rosary Day, the students receive their class rings and finally become upperclassmen. This year our class processed out to our class song "The Long and Winding Road," received our rings as well as roses from the seniors, and celebrated the day at Hillcrest Park.

In October the Juniors had the first fundraiser of the year. We had a "Taco Bar" with tacos from Taco Bell and made more than \$200.00 in one lunch period.

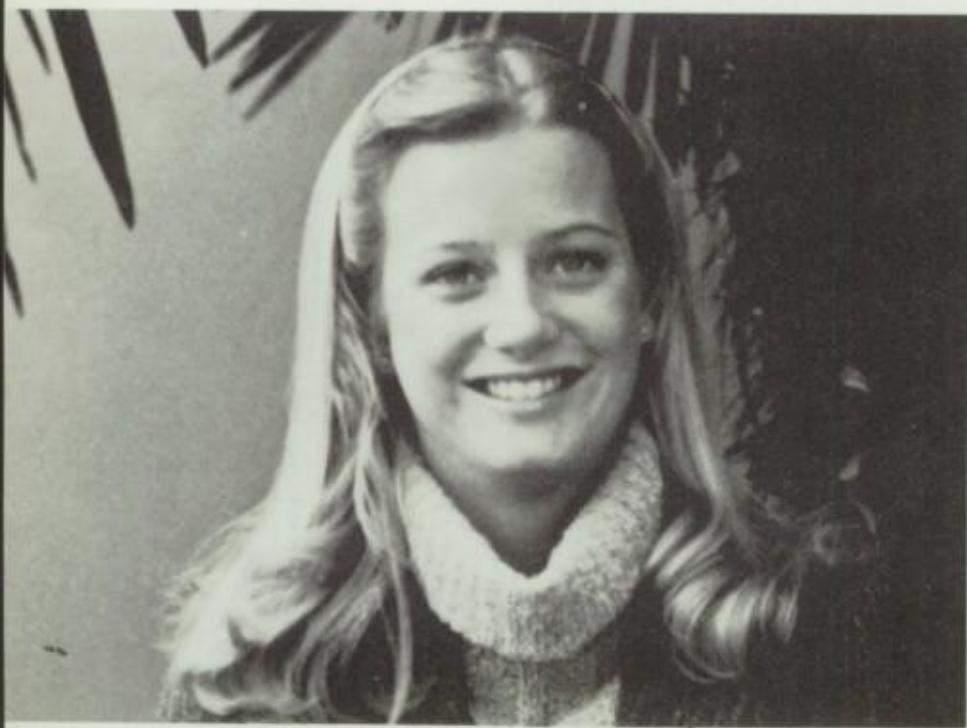

In December, most of the class boarded buses and climbed up to Camp-o-ongo, a beautiful camp located in Running Springs. Our "Spirit Weekend" unified our class and helped us "appreciate" our many blessings. The weekend was very meaningful and a lot of fun. A great deal is due to our fantastic director, Father Bill Vohsing who was so well liked by all the girls that by popular demand, he was asked to celebrate our class mass which was held in January.

In the spring, the Juniors held their second fundraiser, which the class and school enthusiastically supported. The profit will go towards the Christmas formal dance that the Juniors will sponsor next year in December. Since the class of '82 is determined that their class will have the best Christmas formal Rosary has ever seen, this fundraiser was very beneficial.

In June, the Junior class presented each Senior with a rose on their long awaited and heavily celebrated graduation day. The gift of the single rose could not express the Junior class' gratitude towards the Seniors for their friendship and guidance during the past three years. Next year the class of '82 looks forward to being "the rulers of the school" — the year we've all been waiting for . . . 1982! Congratulations and Good-Luck to all the Seniors . . . We'll miss you!

I live but one life and I live it one poorly, but I have a vision, a DREAM of a better life. If someone coming after me might lead, I merely bend my time to my business in money and my very soul, starting in my DREAM, to a few young people I see it. They are dedicated in them life, weak and faulty, will be finer and greater than I. Prayers Always, C.M.M.

For a Special  
Friend who  
and lucky to  
have:

Dear Lori,  
you are really one  
of the few people that I can  
really say is always nice. To me  
you are such a cheerful person  
who really is "in touch" with  
her self (as Mrs. St. Laurent would say).  
I am really sad that you're not  
coming back next year. I will miss  
you very much. You're always made  
me feel good on bad days and I  
feel a lot more special having known  
you. People that you touch, Lori  
ask anyone, feel that you are a ter-  
rific person. I wish you luck on with  
your life and I truly hope that you  
are happy at your new school. Good  
luck in the Drill Team. It's hard work  
but when you look back on it I  
know that you'll feel that it was  
really fun. You've got very special  
qualities, Lori and I know that you'll  
stay that special all of your life.  
I have a feeling that God picks pe-  
ople and I think you're one of them.  
You're a great friend. I'm glad  
that I know you.

ps. Mrs. St. Laurent's religion was a  
pretty crazy experience. It was a  
fun setting in front of you.

Hi Laurie!

I just have to tell you how much I admire your personality - it's just beautiful. You're really a sweet person and I'd like to talk to you more. I'm sure in the next couple of years, we'll know each other better. Have fun this summer - you deserve it!

Love,  
Bonnie

Laurie,  
Wee this year

You're really been a great friend + partner. I hope you'll be back to visit us in the fall again soon! I really appreciate it. Have a great summer!  
Keep in touch!

Laurie,

You are such a great friend to me and everyone around you! You care about peoples' feelings. I am so glad we are friends and I hope we can keep in touch!! Congratulations! ... on you making the drill team. I knew you would! You really have a talent not only in drill or physical things, but also showing you care and being yourself! I really enjoy and admire that. Words just can't express how you always are happy and what you are like! I hope you have a great summer and a terrific time at Fullerton! I know you will! Never change Laurie - because you cannot get any better!!! Please call me in the summer and whenever, to just talk or to do something!

I want to see you performing in drill! May God Bless You!

Laurie

I am so glad that we have got to know each other. You are so sweet and nice. You have a sweet spirit. Do keep that way. I hope and pray that someday, someday soon you will be able to join the church if that is what you want. I am glad you are going to Fullerton and that you made the drill team. You are sweet friend and one of my best hope next year we will become closer. I hope we can do a lot together. Stay sweet and kind.

I'm so happy that we're friends! You are a very special person. Remember the awakening retreats? How can one forget? I really feel I can tell you so much. We can gossip about so many things (ha ha!) Do you're going to Billinton Lake? And you made drill team huh? Well I wish you the best of luck! I will miss you a lot! So go on just leave me! (just joking) You know what, "I haven't gotten my money back yet!" I think I'll just give it up. Well since the bell has rung I better let you get to history. Have a super summer!
